Dear Sir:

It is with pleasure that  
I enclose money order of \$13.00  
for which you will please credit  
me membership dues and  
silver medal.

I will certainly take advantage  
of your invitation to see  
your fine collections especially  
the Chinese Coins.

You may remember that

on Mr Reilly's invitation I  
spent a whole afternoon at  
your Museum, when I had the  
honor of being introduced to  
you.

I am leaving for Boston  
in a few days but will be  
back again by Wednesday next,  
and shall surely make my  
appearance on Thursday!

Kindly hold the Membership  
Medal for me until I call.

Sincerely yours

Mr. Sidney P. Noe  
Librarian Am. Numismatic Society.  
New York City.

Dear Sir,

About ten days ago I wrote a letter to Mr. Edward T. Newell, in care of the Society, with a request, that he would be kind enough to deliver to you, but so far I have not been favored with a reply.

Now I have to repeat my appeal, this time to the proper person.

I am trying to complete data on a certain serie of Swedish coins and am in great need of the catalog

of the Oldenburg collection, and would greatly appreciate the loan of this book from the Society's Library.

I will only keep it two days after its arrival so as not inconvenience any other searcher.

Send it per insured parcel-post and well protected, the postage-charge will be refunded on its arrival.

The Society is so far from my home that I cannot without great inconvenience pay you a personal visit.

Very truly yours  
Robert Robertson

Dear Mr. Robertson: .

Mr. Newell has been ill and this will account for the lack of response to your letter to him.

I am sending you immediately the volume you desire, and with it I am venturing to enclose some publications of the Finnish Numismatic Society which have just been received, as I believe they will be of interest to you. You need not hasten to return these volumes; they may be kept over two weeks if you so desire. We are only too glad to have you use the book in this fashion, and if we can contribute to your researches in this manner at any time, we shall be very happy to do so.

Very truly yours,

Secretary

Mr. Sidney P. Noe  
Am. Numismatic Society,  
New York City.

Dear Sir:

In Your letter of April 21<sup>st</sup> you stated that you would send the book I asked for as a loan "immediately," if the book or books were sent they must have got lost in transit as they have not yet arrived.

On the other hand if you forgot to send them do not do so now.

I bought Mr. de Lagerberg's copy of the Oldenburg catalog last Saturday and am twofold happy in its

possession, that of ownership and  
of knowing that I do not have to beg  
for the loan of someone else's copy.

Sorry I troubled you, it shall  
not happen again, at least not about  
the book mentioned.

Very truly yours

Mr. John Reilly Jr.  
The Am. Numismatic Society  
New York.

Dear Mr. Reilly..

I thank you for your  
kind letter of the 16<sup>th</sup> inst., but  
it cannot alter my determination  
to give up my membership in  
the Society.

As I stated to you before,  
the Society's scope is too con-  
fined, which of course is the  
fault of those in charge, and  
this can be verified by looking  
over the Society's publications,  
Greek and Roman, Roman and  
Greek, the only exceptions worth  
while being The coins of Transyl-

vania, the Colonial and Mexican coins.

Of course any collector has his or her specialty, but when this specialty is forced to the front it gives the activities of the Society the character of a Greek-Roman Coin Club and then it is time for those not interested to step out.

What a difference in policy does not the New York Numismatic Club give!

Their meetings are like fresh spring-breezes compared to the wintry blasts from the Society, and the reason? The catholicity of their subjects that caters to all collectors.

Hence my resignation, and for no other reason.

The rebuff I received when making a suggestion to have a pamphlet printed about the copper-coins of Christina of Sweden counts for naught, it only strengthened my opinion that the Society was a Greco-Roman

Coin Club, and I leave them  
in peace to wrestle with their  
own subjects.

Very truly yours
